

ENJOYING OUR PLANET

4

Our planet is beautiful we need to protect it

It is important to take care of our planet

Yes, that is true

1

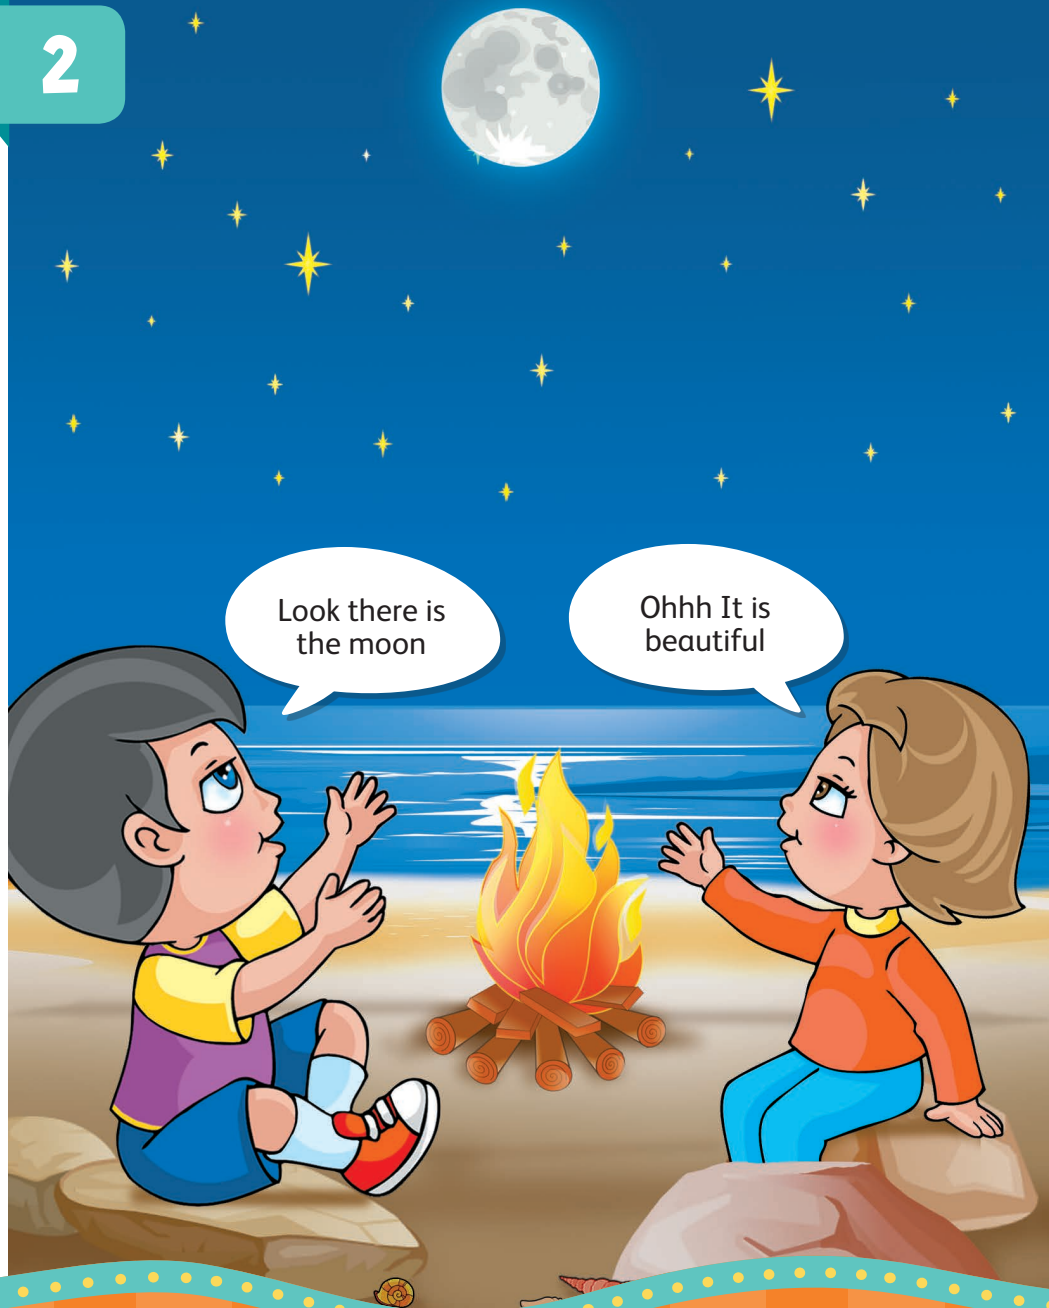

Maurice look at the sky!!! There are many stars

Ohh I see stars

Maurice is at the beach with his family they are camping.

2

Look there is the moon

Ohhh It is beautiful

3

I want to make a sandcastle

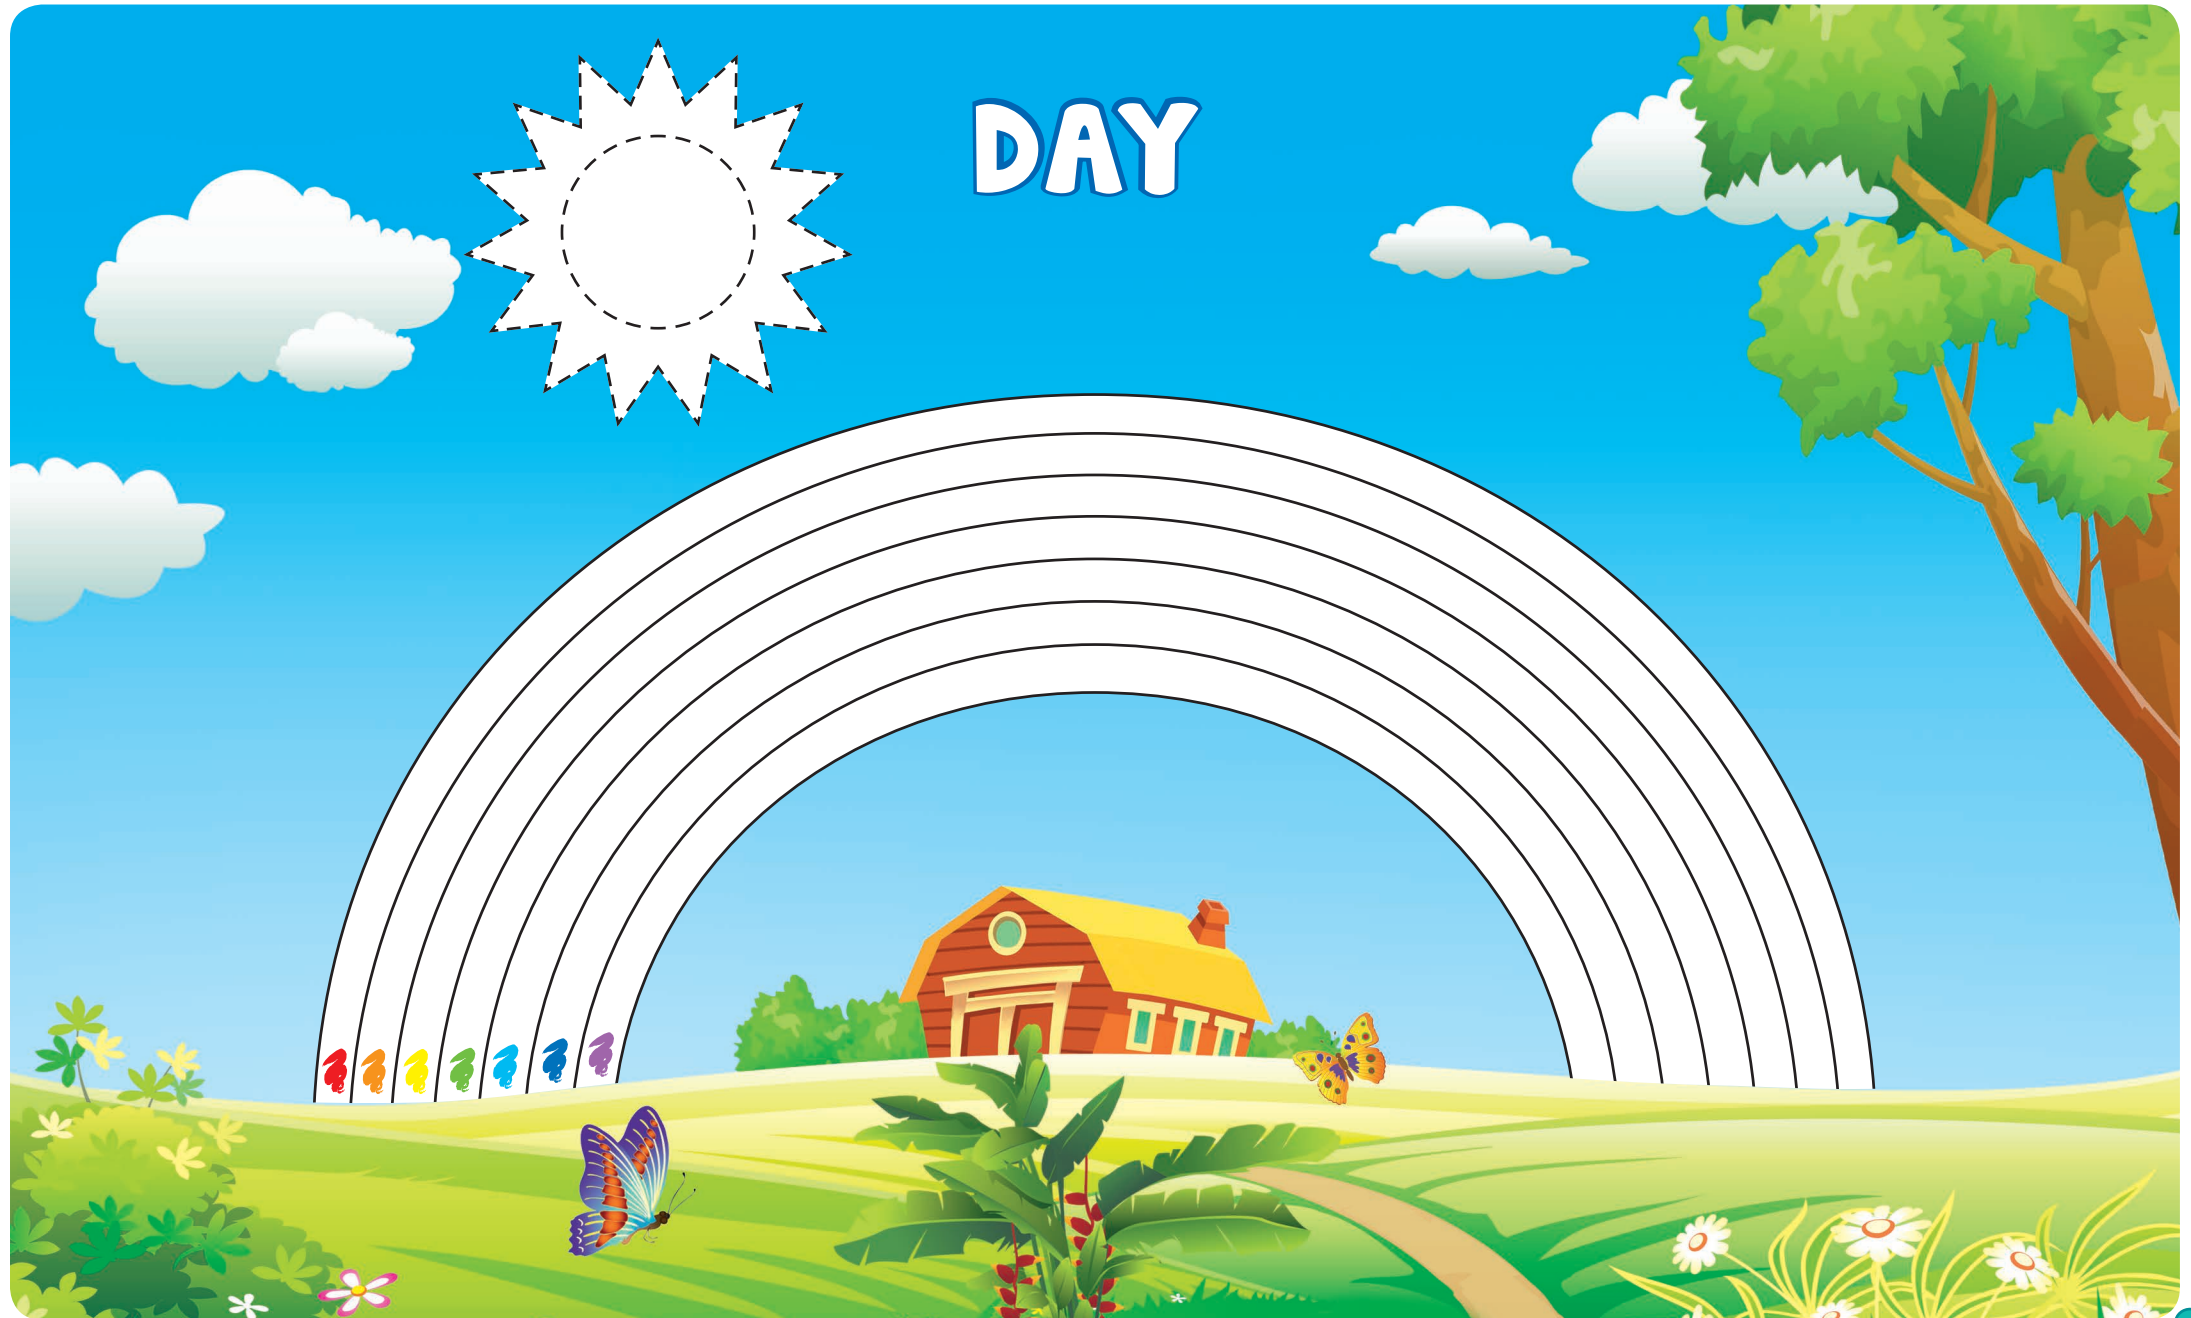

Maurice look there is a rainbow

Trace and color the stars

Name: \_\_\_\_\_

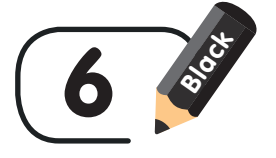

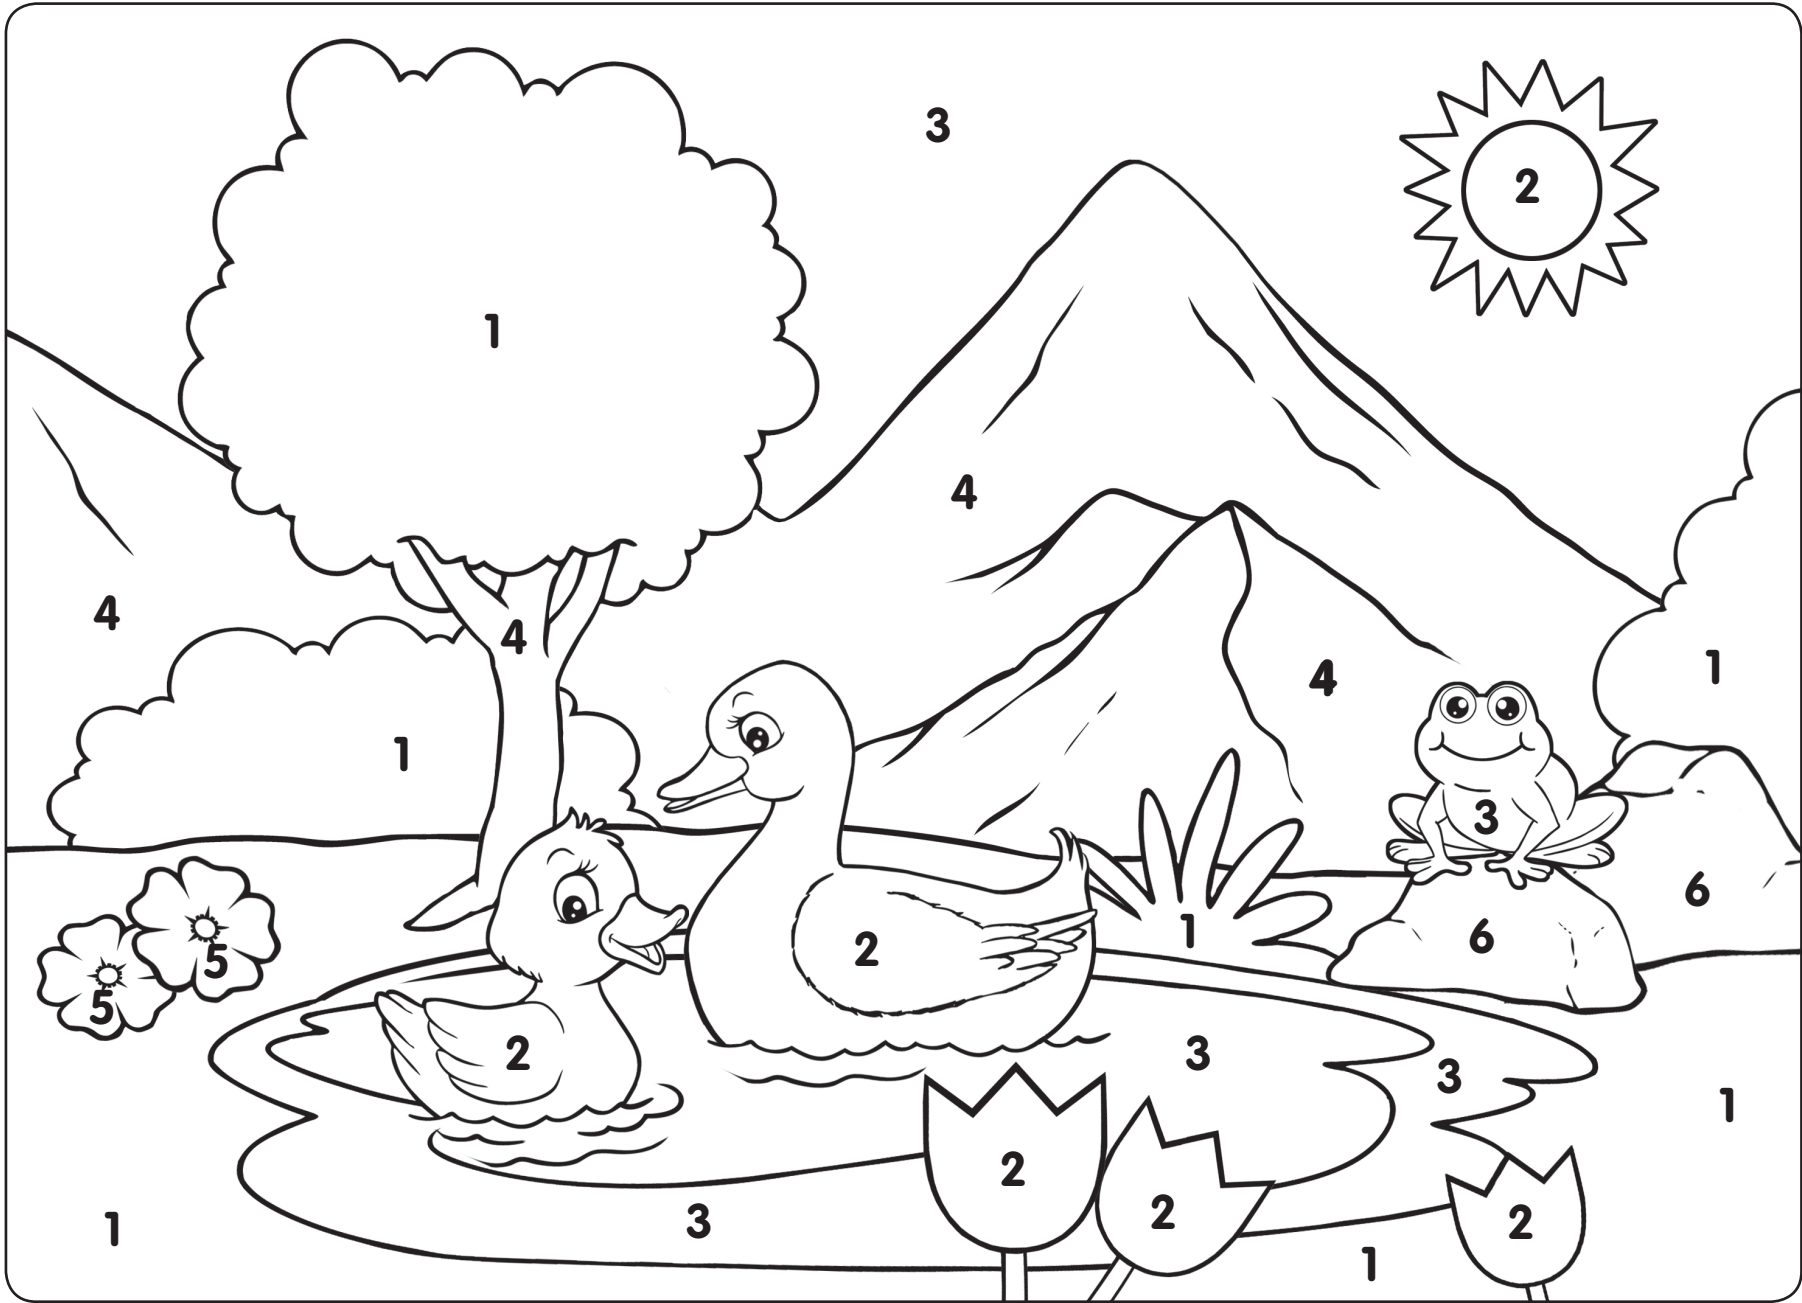

Trace and color

Name: \_\_\_\_\_

The tracing activity consists of four horizontal rows, each with a different background and a dashed line for tracing. Row 1: Night sky with stars and a moon, featuring a dashed yellow zigzag line and a cartoon owl. Row 2: Dark blue sky with clouds, featuring a dashed yellow circular path and a cartoon bat. Row 3: Daytime landscape with a green field and white clouds, featuring a dashed red arching path and a cartoon rabbit. Row 4: Blue water with bubbles, featuring a dashed red wavy path and a cartoon fish.

Color by number
